

Dear Sir/Madam,

APSSDC in collaboration with AWS Academy is offering six courses through the LMS platform provided with a course completion certificate by AWS Academy.

This platform access is provided free of cost.

Course List:

1. [AWS academy cloud developing](#)
2. [AWS academy cloud foundation](#)
3. [AWS academy cloud Operation](#)
4. [AWS academy Cloud Architecture](#)
5. [AWS Data analytics](#)
6. [AWS academy Machine Learning Foundation](#)

APSSDC is ready to organize an orientation session for the students and faculty members in taking these courses ahead and online support will be provided
